A bull shall be not allowed to serve when under 14 months of age or be allowed to run with the herd when under 20 months of age.

3. Cows sold with calves by side are considered proven breeders. All other cows and heifers sold as a single lot are guaranteed breeders, except calves sold by side of dam as one lot and heifers under sixteen months of age at time of sale. The expense of return freight in such case is to be paid by the seller. If the animal is proved to be a breeder beyond doubt, it shall be returned to the purchaser at his expense. In case the animal proves to be not a breeder, then the purchaser shall be given the option of having purchase price refunded without interest or of accepting a substitute as stipulated above. Salvage to go to the seller. No charge for feed or maintenance shall be made by either buyer or seller.

PHOPACHY (Fop-a-key) DIPLOMAT—Sired by the 4700 guinea Naemoor Marshal and out of a dam whose top sires are those of the great Kirkton Baronet. Diplomat is almost a full brother of the 1950 Perth show and sale and supreme champion of the 1952 Palermo show in Argentina. Rothes Queen Tansy is the granddam of Kirkton Envoy, and the line of sires is identical but for the omission of Calrossie Broadhooks Bounty from the pedigree of Envoy. Study the get of Diplomat in this sale and in our pastures. His daughters averaged \$994. at auction in 1951, \$1021. in 1952. He sired the grand champion steer of the 1953 C.N.E., the grand champion bull of the 1953 New Zealand Royal and the grand champion female of the 1953 Maritime Winter Fair.

OAKFIELD FARMS

presents

for your valuation, twelve daughters of Buttermere Kinsman, Imp. =309795=. All of these heifers are half-sisters to Oakfield Rosewood 36th. To date in 1954 Oakfield Rosewood 36th has been the second top-selling Shorthorn female in North America, having sold in the annual Edellyn June sale at \$4500.00. These heifers carry the service of Scotsdale Hector =345033= top-selling bull at the 1954 Ontario Bull Sale. We highly recommend these heifers as excellent foundation females.

Our herd is federally accredited and every heifer has been vaccinated and has recently been inoculated. Breeding dates will be furnished on sale day.

SCOTSDALE HECTOR = 345033 =

This is the young bull we selected to carry on the breeding programme at Oakfield Farms. He has a grand breeding head, is low-down, thick fleshed and smooth and has plenty of bone. His sire, O.A.C. His dam, Calrossie Brilliant Princess is by Millhills Champion and is a full sister of the dam of the Junior herd bull at Calrossie, Calrossie Prince Charlie.
